

## **Divi Kaustubh Abhinand**

Aspiring Software Engineer | Computer Science Student

Vasavi College of Engineering

Email: kaustabhinanddivi@gmail.com | Age: 19

### **About Me**

Motivated and passionate Computer Science student with a strong foundation in programming, problem-solving, and software development. Eager to explore opportunities in AI & ML, software engineering, and database management. Enthusiastic about continuous learning and leveraging technical skills to solve real-world challenges.

### **Education**

Vasavi College of Engineering

B.Tech in Computer Science (Expected Graduation: 2027)

Relevant Coursework: Data Structures & Algorithms, Operating Systems, Database Management Systems

### **Technical Skills**

- Programming Languages: C, Python, Java, MATLAB
- Databases: SQL
- Other Skills: Data Structures, Problem-Solving

### **Certifications**

- NPTEL - Java Programming

### **Projects**

- Decision Tree Generator in C
  - Implemented a program to generate decision trees for data classification.
  - Utilized C programming to handle data structuring and logical tree formation.

- Railway Management System using SQL
  - Developed a database management system for railway ticket booking and scheduling.
  - Implemented SQL queries for efficient data handling and retrieval.

**Interests:**

- Artificial Intelligence & Machine Learning
- Software Development
- Database Management

**Extracurricular Activities**

Photography-Passionate on exploring different styles.

- Passionate about photography, exploring various styles and techniques.
